

# *Sorry...*

# **TEMPORARILY CLOSED**

In order to limit possible exposure and slow the spread of the COVID-19 virus we are taking this decisive action. The health and well-being of our staff and customers are paramount and override the inconvenience this might cause. We did not make this decision lightly. Based on recommendations by CDC and Denton County Public Health Department to limit the number of people in a public building, we feel this decision is the best step to help curtail further spread of COVID-19 in our communities.

Due dates for borrowed materials will automatically be extended and can be returned when the Library reopens.
