French Installed as President of the Tax Assessor-Collector Association of Texas

Michelle French, Denton County Tax Assessor Collector, was installed as the President of the Tax Assessor-Collector Association of Texas at the recent Annual Tax Assessor-Collector Conference. French has served on the Board for several years and served as Secretary/Treasurer to the Association from 2013 to 2016.

The Tax Assessor-Collectors Association is a professional organization made up of elected County Tax Assessor-Collectors and their deputies. The purpose of the association is to promote professional standards through education, to unify actions for the benefit of constituents, to be aware and participate in the legislative process and to provide a vehicle to educate its members in the proper conduct of the constitutional office of the Assessor-Collector of taxes.

The association has a membership of over 400 representing the 254 counties in Texas.

Michelle French was elected Tax Assessor-Collector in November of 2012 but has worked for Denton County over 35 years. Michelle French stated "being elected by my peers to serve the Association is very humbling and such an extreme honor. This position provides the opportunity to serve Denton County as well as county tax assessor-collectors across this great state of Texas".

The Tax Assessor-Collector Association has been in existence 84 years and is the largest professional association for elected county tax assessor-collectors in Texas.
